

On Valentine's Day, the children will be able to exchange valentines if they wish. 😊 A list with first names has been sent home.

Since we are celebrating students each day in February, we will not be having a Valentine's Day "party". Please do not send in any sweets. Even though I truly appreciate your generosity, in the past dozens of cookies, cupcakes and chocolates have been a little "too much" and we do have a district nutrition policy. I will be providing a surprise treat for the children. 😊 Thank you so much!
